2. About the Card and Using Your Credit Card Account

a. Transactions: Your Card and your Account number may be used for Purchases that you conduct in person, on the internet, over the phone, by mail order or other electronic means, including contactless Transactions and Mobile Payments Services, and where available, to obtain Cash Advances, wherever your Card is accepted, provided we permit you to do so and you comply with your Cardmember Agreement.

b. Prohibited Use of your Card: You must not use your Card or Account number for any internet gambling transaction or illegal or unlawful purpose, including any Transaction prohibited by the applicable laws of the jurisdiction where you reside or of any other jurisdiction where a Card is used or where the goods or services are provided. You agree not to use your Card before the valid from date or after the expiry date indicated on the Card. If any amounts are charged on a Card before the valid from date or after the expiry date, the Primary Cardmember is liable for and must repay us those amounts. We reserve the right to block, stop or prevent your Card or Account from being used for certain types of Transactions as determined by us without advance notice to you.

c. Repayment Obligations: Any Transaction made by any Cardmember using a Card or Account number is an extension of credit to the Primary Cardmember for the amount of the Transaction, even if a Cardmember authorizes the Account to be charged without presenting the Card to a merchant or without signing a sales draft, including by telephone, mail, the internet or any other electronic means, including contactless Transactions and Mobile Payments Services (the legal effect is the same as if the Card had been presented and the sales slip was signed or a PIN or password entered). The Primary Cardmember is liable for and promises to repay the entire Total Balance and any other amount owing under the Agreement, including any amounts charged to the Account by any Additional Cardmember, even if you have used or allowed your Card or Account to be used in a manner that is not in compliance with this Cardmember Agreement, or which exceeds your Credit Limit. The Primary Cardmember is responsible for ensuring that all Additional Cardmembers comply with the terms and conditions of the Agreement.

d. Unauthorized Use: You agree that each Card and related Account number will be used only by the Cardmember whose name appears on the Card. In the event that a Cardmember lends or allows a person to use their Card or Account number, the Primary Cardmember will be responsible for any amounts charged to the Card or Account by that person, even if that person

was a minor or regardless of whether or not the Cardmember intended to limit the authorization granted to that person's use of the Card or Account to a particular use, amount or time.

e. **Card Signing and Ownership:** The Card is our property. You will sign your Card immediately when you receive it and we may require you to activate your Card before it can be used. All Cards and Convenience Cheques must be immediately returned to us upon our request.

f. **Adding or Removing Additional Cardmembers:** The Primary Cardmember may, without advance notice to any Additional Cardmember, add or remove any Additional Cardmembers from the Account from time to time by contacting us or by using Brim's Website. An Additional Cardmember's Card number (or the number on the renewed or replaced Card) may be different from the Primary Cardmember's original Card number, but are all part of the same Account. We may limit the number of Additional Cardmembers on an Account.

g. **Recurring Transactions:** If you have arranged for any PAPs to be charged to a Card, you are responsible for providing a merchant with adequate, correct and up-to-date information, including advising a merchant if your Card number or expiry date changes. We are not liable if any PAPs cannot be posted to your Account. You must settle any dispute you may have in connection with a PAP directly with the merchant who charged your Account. If you want to cancel a PAP, you must contact the merchant in writing to advise them that you will be terminating the PAP and must check your statement after the merchant has received your notice to ensure that the PAP has been cancelled.

h. **Personal Identification Number (PIN):** You will be required to set up a PIN or change the PIN provided by us upon activation of your new Card. When setting up or changing your PIN, you must not select a PIN: (i) that is easily identifiable, such as a birth date, a phone number or a PIN that you use for any other accounts you may have; (ii) which can be easily obtained or guessed by someone else; (iii) that is the same as or contains any part of any number on an identification card that is kept close to your Card; or (iv) a PIN that does not comply with any other instructions provided by us for setting or changing your PIN.

You must: (i) keep your PIN absolutely confidential and maintain the secrecy of your PIN or any other password for your Account (which includes passwords or access codes used to access your Account online or to complete Internet or other electronic transactions); (ii) take all reasonable precautions to ensure no one finds out your PIN, including while you key-in your PIN at an ATM or at a merchant with a chip-enabled terminal; and (iii) not write any PIN or password on your Card or on statements for your Account. You must not share your PIN or any other password for your Account with anyone.

i. **Credentials:** If you have enabled a Mobile Payments Service on your mobile device, you must verify that all Credentials are erased from your mobile device or SIM card (i) before you sell or otherwise dispose of your mobile device or SIM card or (ii) immediately after your mobile device or SIM card is lost or stolen.

j. **Mobile Payments Services:** Additional terms and conditions will apply to you if you elect to use a Mobile Payments Service. To use any Mobile Payments Service provided or developed by us that may be offered from time to time, a Cardmember must agree in advance to the terms and conditions of use applicable to such Mobile Payments Service. You will be provided a copy of such terms and conditions and asked whether you agree with such terms and conditions at the time that you first log on to use such service. Such Mobile Payments Service terms and conditions,

as amended from time to time, form an integral part of the Agreement. You can also obtain a copy of such terms and conditions at brimfinancial.com/legal.

3. Credit Limit

Your initial Credit Limit appears in the letter included in your Welcome Package. Your monthly statement will indicate your current Credit Limit as well as your Available Credit as of the date of the monthly statement. We may decrease your Credit Limit at any time and will not increase your Credit Limit without obtaining the express consent of the Primary Cardmember. Approvals of Credit Limit increases are at our sole discretion.

We may set a separate cash advance limit for cash related activities on your Account (such as Cash Advances, Balance Transfers and Convenience Cheques). The cash advance limit is not additional credit beyond your Credit Limit but is a specific limit for cash related activities and interest on these items.

For Cardmembers resident outside the Province of Quebec:

We may from time to time, at our discretion, authorize Transactions that cause your Balance to exceed your Credit Limit. However, you understand that while we may authorize any Transactions that cause your Balance to exceed your Credit Limit, we are not required to do so even if we have done so in the past.

For Cardmembers resident in the Province of Quebec:

We will decline any Transactions that cause your Balance to exceed your Credit Limit. You may be notified by email or in-app notification as to the reason of such decline. If a Cash Advance would result in your cash advance limit being exceeded, that Cash Advance may be declined. Partial amounts will not be processed.

The Primary Cardmember may contact us or use the Brim's Website to set an Additional Cardmember Spending Limit for any Additional Cardmember on the Account, which the Primary Cardmember may adjust or remove at any time. The Additional Cardmember Spending Limit(s) will be subject to the overall Credit Limit and cash advance limit on the Account, so the funds available to an Additional Cardmember may be less than the Additional Cardmember Spending Limit. The Primary Cardmember will continue to be fully liable for the Account.

4. Monthly Statements

The Disclosure Statement sets out when we will provide you with a monthly statement. The Primary Cardmember must ensure that a monthly statement is received each month and review it. If there is an error or irregularity (including any fraudulent or unauthorized Transactions) with any Transaction, fee or charge on your monthly statement, you must contact us within 30 days of the last day of the statement period shown on your monthly statement. If you fail to contact us within 30 days, the monthly statement and our records will be considered to be final and you may not afterwards make any claim against us regarding these items on the Account. We reserve the right at any time to remove from your Account any credits which have been posted in error.

5. Payment Information

a. **Total Minimum Payments:** The Primary Cardmember must pay and we must receive at least the Total Minimum Payment by the Payment Due Date. The method of calculating the Total Minimum Payment is set out in the Disclosure Statement. We may decide to reduce or waive the Total Minimum Payment for a particular statement period, but if we do so, interest will still accrue on the unpaid Balance and such interest and any applicable unpaid Installment Pay fees and monthly processing fees will be added to the Balance on your next monthly statement. A credit to your Account, for example, as a result of a return of goods to a merchant, does not constitute a payment to your Account and does not satisfy the requirement to pay the Total Minimum Payment.

b. **Making Payments:** The Primary Cardmember is responsible for ensuring that payments are received by us by the Payment Due Date. You can make payment at any time and payments can be made by mail, through a financial institution in Canada, by the internet or other electronic means using our website at brimfinancial.com, on our app, or by any other method of which we notify you. Payment can take several days to reach us. Please choose a payment method that results in your payment being received and processed by the Payment Due Date. A payment to your Account will only be credited to your Account and adjust your Available Credit once we have received, processed and cleared it and does not immediately adjust your Available Credit.

If your Payment Due Date falls on a Saturday, Sunday or a statutory holiday, your Payment Due Date will be automatically extended to the next business day that is not a Saturday, Sunday or statutory holiday. We will consider your payment made on such next business day as having been made on time. To determine whether your Payment Due Date falls on a statutory holiday, we will look at the Primary Cardmember's place of residence based on the home address we have on file at the time of your monthly statement.

c. **How We Apply Your Payments:** All payments received towards your Total Minimum Payment will be applied in the following order: (i) first, to any interest charges that appear on your monthly statement; (ii) second, to any fees that appear on your monthly statement; (iii) third, to any monthly installment due under any Installment Plan that appears on your monthly statement; (iv) fourth, to any Transactions that appear on your monthly statement, including any amount that exceeds your Credit Limit or any past due amounts; and (v) fifth, to any fees and other Transactions that do not yet appear on your monthly statement but are posted to your Account.

If any of the above items (i) to (v) are charged at different interest rates, your payment will be applied to those amounts with the higher interest rate(s) first before those amounts with the lower interest rate(s). However, if you pay the Total Minimum Payment in full each month, the monthly installment due under any Installment Plan that appears on your monthly statement will always be paid in full.

We will apply any amount of your payment that is greater than the Total Minimum Payment to each interest rate category (i.e. all items that have the same annual rate will be placed into the same category) in the proportion that the amount in each category represents of the remaining Balance.

Payments received by us that exceed the amount of the Balance on your statement will be applied in the following order: (i) first, to Transactions that have not yet appeared on your monthly statement but that are posted to your Account, using the same payment allocation described above in this section, and are applied in the order in which the Transactions are posted to your Account, and (ii) second, to the principal balance of any Installment Plan that appears on your monthly statement (regardless of whether or not such principal balance is then due). If your

payment results in an Installment Plan being paid earlier than the original period, then your Installment Plan will end and you will no longer be charged a monthly processing fee.

If you have more than one Installment Plan, any excess amount will be applied to the Installment Plan that ends first.

We may accept late payments, partial payments and payments marked “paid in full” or with similar wording without losing any rights we have by law or under this Cardmember Agreement.

d. Credit Balances: We do not pay interest on any credit balances. You acknowledge that credit balances are not deposits and are therefore not insured under the Canada Deposit Insurance Corporation Act.

6. Interest and Grace Periods

a. Interest Rates: Interest is charged at the applicable annual rates and in the manner specified in the Disclosure Statement. The applicable annual rates are subject to change from time to time, with notice to you in accordance with this Cardmember Agreement and applicable law. The current applicable annual rates will also be set out on your monthly statement.

b. Interest on Purchases: Interest accrues on each Purchase from the date of the transaction giving rise to the particular Purchase which may be earlier than the date that the Purchase is posted to your Account. You can avoid interest being charged on the particular Purchase by ensuring that we always receive payment in full of your Balance every month by the Payment Due Date. If we do not receive payment in full of the Balance on your current monthly statement by the Payment Due Date, you will have to pay interest on any Purchase from the transaction date that appears on your monthly statement until the date we receive payment that covers the full amount of such Purchase.

c. Interest on Cash Advances: There is no interest-free grace period for Cash Advances. Interest accrues on each Cash Advance from the date of the Cash Advance until the amount of the Cash Advance is paid in full.

d. How we calculate interest: Interest on Transactions and any other charges that make up your Balance (other than fees) is calculated using the “average daily balance method”. At the end of each billing period, we calculate interest for each category of interest-bearing Transactions and any other charges that makes up your Balance and that is subject to interest at a different annual rate. For each category, we determine:

(a) the “daily interest rate” for that category for the billing period; and

(b) the “average daily balance” of all Transactions and other charges in that category for the billing period. We then multiply the daily interest rate for a particular category by the average daily balance for that category, and then by the number of days in the period, and we add this amount to your Balance for each category.

We determine the “average daily balance” for a particular category by adding together the Balance for that category for each day during the billing period (treating any net credit balance as a zero balance) and dividing that sum by the number of days in the billing period. We determine the “daily interest rate” by dividing the applicable annual interest rate for that category by 365 (in a regular year) or 366 (in a leap year).

7. Fees

The Disclosure Statement sets out the fees that you must pay relating to your Account. We will notify you, in accordance with Section 19.b (Changes to Agreement) and applicable law, if we make any changes to the information in the Disclosure Statement.

8. Installment Pay

a. **Installment Pay.** From time to time you may be eligible to participate in Brim's installment pay program which will allow you to pay for qualifying Purchases made with your Card in equal and consecutive monthly installments, subject to the applicable terms and conditions set out in this Cardmember Agreement and the Disclosure Statement. If applicable, additional terms and conditions, including the terms and conditions relating to a particular promotional rate or other offer, will be provided to you. By participating in Installment Pay, you agree that such additional terms and conditions are deemed to form part of this Cardmember Agreement.

b. **Participation.** Participation in Installment Pay is voluntary. For a Purchase to qualify, the Purchase must be posted to your Account as a single transaction equal to or greater than the dollar threshold amount of \$500 and it must not be for restaurants, groceries or liquor. We may also set other limits for participation in Installment Pay that will be communicated to you. After a qualifying Purchase (meaning a Purchase other than restaurant, groceries or liquor purchases) is made, you may participate via our Brim's Website or call center, to use Installment Pay with respect to the Purchase provided that the application is made within 60 days from the date of the Purchase. You must choose a payment period of 12, 16, 20 or 24 months, except that in the case of travel related Purchases, the payment period must be 12 months, and we may limit options for other Purchase types from time to time.

In order to use Installment Pay, you must qualify for credit that is in addition to your Credit Limit. By applying for participation in Installment Pay you are applying for a temporary increase in your Total Authorized Credit Limit by an amount equal to the amount of the qualifying Purchase designated for participation in Installment Pay. You will be asked to provide your consent for the temporary credit increase. The related Installment Pay Credit Limit is a temporary increase in your Total Authorized Credit Limit that will amortize down gradually in each Installment Pay period and will end at the end of the applicable Installment Plan.

c. **Fees for Installment Plans.**

For Cardmembers resident outside of the Province of Quebec:

Interest is not charged on qualifying Purchases as long as they continue to be part of an Installment Plan. Instead, we will charge a one-time fixed installment fee and a monthly processing fee of 0.475% of the Purchase amount per Installment Plan as set out in the Disclosure Statement. For example, if you make a Purchase of \$1,000 and the fixed installment fee is 7%, your fee amount will be \$70, charged on your first monthly statement. You will also be charged a monthly processing fee of 0.475% of the Purchase amount each month. In the case of a \$1,000 Purchase, the monthly processing fee will be \$4.75.

For Cardmembers resident in the Province of Quebec:

You will only be presented with installment offers with 0% fixed installment fee, or other offers that are eligible in the Province of Quebec. You will be charged a monthly processing fee of 0.475%

of the Purchase amount each month. In the case of a \$1,000 Purchase, the monthly processing fee will be \$4.75.

Rounding: If the calculation of the fixed installment fee or monthly processing fee results in a fraction that is less than one cent, we will round up to the next cent from and including \$0.005 and round down if less than \$0.005.

d. **Monthly Installment Amounts.** For any approved Installment Plan, the amount of the qualifying Purchase will be payable in equal and consecutive monthly installments. The total number of monthly installments will be based on the payment period (12, 16, 20 or 24 months, except that in the case of travel related Purchases, the payment period must be 12 months, and we may limit options for other Purchase types from time to time) that you selected in accordance with Section 8.(b). The amount of the qualifying Purchase posted to an Installment Plan will be fully amortized over the selected period. The amount of such monthly installments will be calculated by us based on the amount of the qualifying Purchase, and the selected payment period. For each qualifying Purchase, we will calculate how much you have to pay us each month as follows: the qualifying Purchase amount will be divided into equal payments (or almost equal payments if the amount does not divide equally) based on the payment period you selected. Finally, the monthly processing fee will be calculated by multiplying the Purchase amount by 0.475% and the resulting amount will be charged each month during the payment period.

The first monthly installment will appear on your first monthly statement after we have approved your request to use Installment Pay for a qualifying Purchase. The remaining monthly installments will appear on your subsequent monthly statements. The current monthly installment will be included as part of the Total Minimum Payment due on the Payment Due Date shown on your monthly statement.

e. **Prepayment and Removal.** You can remove a qualifying Purchase from the Installment Plan by calling us at the phone number found in the "Contacting Us" Section of this Cardmember Agreement. Your Purchase will also be removed from the Installment Plan in case of late payments as described in Section 8.f below. See 5.c above on how we apply your payments.

For Cardmembers resident outside of the Province of Quebec:

In case a qualifying Purchase is removed from an Installment Plan, such Installment Plan will end and the remaining deferred amount and any interest will be payable in the following manner:

i. If you cancel the Installment Plan within 3 months after you decided to participate in the Installment Plan and you do not have two consecutive missed payments, the fixed installment fee will be fully refunded, all deferred amounts related to the qualifying Purchase will no longer be considered as deferred and will therefore be due and owing as if they were ordinary Purchases on your Account and you will instead be charged interest on the qualifying Purchase at the then prevailing annual interest rate for Purchases from the date of such Purchase until it is repaid in full (taking in account the payments of deferred amounts on such Purchase previously made and the remaining balance of that Purchase); and

ii. If you cancel the Installment Plan after 3 months of your participation in the Installment Plan or if you have two consecutive missed payments, the fixed installment fee will not be refunded, all deferred amounts related to the qualifying Purchase will no longer be considered as deferred and will therefore be due and owing as if they were ordinary Purchases on your Account and, subject to any applicable interest-free grace period, you will be charged interest at the then

prevailing annual interest rate for Purchases for the remaining balance of that Purchase from the date of the removal of such Purchase from the Installment Plan until it is repaid in full.

For Cardmembers resident in the Province of Quebec:

In case a qualifying Purchase is removed from an Installment Plan, such Installment Plan will end and the remaining deferred amount and any interest will be payable in the following manner: All deferred amounts related to the qualifying Purchase will no longer be considered as deferred and will therefore be due and owing as if they were ordinary Purchases on your Account and, subject to any applicable interest-free grace period, you will be charged interest at the then prevailing annual interest rate for Purchases for the remaining balance of that Purchase from the date of the removal of such Purchase from the Installment Plan until it is repaid in full.

f. **Late Payments.** If we do not receive the Total Minimum Payment amount in full by the Payment Due Date, you will be considered to have a missed payment on account of a monthly installment. If you miss 1 payment, the monthly installment due amount will be added to your Balance and will be subject to interest charges at the rate then applicable for Purchases, in accordance with the Disclosure Statement. If you have 2 consecutive missed payments, Installment Pay will terminate and all deferred amounts (for all Purchases that are then participating in Installment Pay) will be added to your Balance and subject to interest charges at the rate then applicable for Purchases, in accordance with the Disclosure Statement from the date of termination. Purchases that are posted to your Account after a missed payment may not qualify for participation in Installment Pay.

g. **Returns.** If you return a Purchase that was posted to Installment Pay, we will generally apply any credit you receive to the Balance owing on your monthly statement. A return of an item will not automatically reduce any Installment Plan you have.

h. **Additional Terms and Conditions:** We may, without notice, restrict (i) the total number of qualifying Purchases that are eligible for participation in Installment Pay, and (ii) the total dollar amount you can have participating in Installment Pay to a maximum percentage of your Credit Limit.

Whether or not a Purchase qualifies for the dollar threshold you choose at enrollment will depend on the final Canadian dollar amount posted to your Account. Installing qualifying Purchases are limited to one per day.

We reserve the right to not grant eligibility to use Installment Pay if your Account is not in good standing, if your Account does not qualify for additional credit or if we become aware of any adverse credit information or for any other reason at our sole discretion.

9. Other Special Payment Plan, Promotional Offers, Optional Services and Loyalty Programs

a. **Special Payment Plan or Promotional Offers:** From time to time, you may be eligible for certain special payment plan or promotional offers, including, without limitation, (i) introductory interest rates, (ii) promotional fixed installment fees, (iii) seasonal promotions, (iv) merchant or spend promotions, and (v) same as cash programs. By participating in a special payment plan or promotional offer, you will be deemed to have accepted to be bound by and will be subject to the terms and conditions set out in the special payment plan or promotional offer. Except to the extent modified by the terms and conditions of the special payment plan or promotional offer, the terms and conditions contained in the Agreement continue to apply to any special payment plan or

promotional offer. At the end of the special payment plan or promotional offer or if an Event of Default has occurred, all terms and conditions of the special payment plan or promotional offer will cease and all terms and conditions contained within this Cardmember Agreement will apply to any Transactions and any charges incurred under the special payment plan or promotional offer.

b. **Optional Services:** From time to time we may offer you optional services with your Card at additional cost to you. Optional services will be subject to separate agreements and may be provided by third parties. Enrolling in optional services does not affect the terms of your then existing Cardmember Agreement. You acknowledge that optional services offered by any third party may be cancelled, modified or withdrawn by such third party in accordance with their terms. We are not liable for any optional services provided to you by a third party. Any dispute that you have with the third party provider of the optional services does not affect your obligation to pay us the full amount of the Total Balance and any other amounts which have been charged to the Account, including interest and any fees, in accordance with this Card.

c. **Special Card Features.** We may make special services or benefits available to you including insurance coverage, and memberships. Some of these services and benefits are features of the Card and are described in the Welcome Package that accompanies your new Card. Others must be enrolled in or purchased separately by you. Card services and benefits are subject to additional terms and conditions which may change from time to time and may be cancelled in accordance with their terms. Certain Card services and benefits may be supplied by third parties; we are not liable for any services or benefits not directly supplied by us. You must deal directly with the relevant third party regarding any dispute.

d. **Loyalty Programs:** From time to time we or a third party may offer a loyalty program with your Card that may be without any cost to you. A description of the terms and conditions relating to any existing loyalty program is included in your Welcome Package. Loyalty programs are subject to additional terms and conditions which may change from time to time and may be cancelled in accordance with their terms. We are not liable for any loyalty programs not provided by us. Any dispute that you have with the loyalty program does not affect your obligation to pay us the full amount of the Total Balance and any other amounts which has been charged to the Account, including interest and any fees, in accordance with the Agreement. You must deal directly with the third party provider to settle any such disputes. By using your Card, you accept the terms and conditions of any loyalty program associated with your Card.

10. Lost, Stolen or Unauthorized Use of Your Account

You must take reasonable care to safeguard your Card, PIN, password and cheques against loss, theft or misuse. You must immediately lock your Card and notify us by telephone within 24 hours when you learn of the loss, theft or misuse of your card, or mobile device if using mobile payment services, or if you suspect that someone else knows your PIN or password, or when you otherwise become aware that your card is being misused. To lock your Card, go to the Dashboard screen or the My Cards screen on Brim's Website and press the "lock card" button. To report unauthorized use of your Card or account, please call our Fraud department at 1-877-473-8914 (Canada and U.S.) or collect 1-647-251-2746 (if you are outside Canada and the U.S.).

You must not allow any person other than a Cardmember to use a Card or the Account. If this happens, you will be liable for all resulting transactions and any interest, fees and losses incurred, even if the other person was a minor or did not comply with any limitations you placed on their use of the Card or Account.

If someone uses your card without your authorization, you are not liable if:

- you did not contribute to the unauthorized use, and
- you used reasonable care to safeguard your card and PIN, and
- you locked your card and notified us by telephone within 24 hours after you learned of the loss, theft or misuse of your card or cheques or device, or after you suspected that someone else knows your PIN or password.

If you do not meet these criteria, you will be liable for all charges incurred in connection with the unauthorized uses.

You will not be liable for any unauthorized Transactions or use that occurs after you notify us that your Card has been lost, stolen or used in an unauthorized manner. Your liability for any unauthorized Transactions made on your Account prior to you notifying us that your Card has been lost or stolen will be a maximum of \$50.

You agree to cooperate and help with any investigation that we initiate into unauthorized use you report before we will consider reimbursing you for any losses. This cooperation may include filing a report with law enforcement authorities.

We reserve the right to block the use of your card without providing you with prior notice should we suspect unauthorized or fraudulent use of the card.

If you request delivery by courier service or international delivery of a replacement card, the Fast Card Fee as set out above will apply.

11. Renewal and Replacement Cards

You authorize us, without notice to you, to send you or any Cardmember on the Account, a renewal or replacement Card.

12. Our Rights on Default

Your Account will be considered to be in default under this Cardmember Agreement if: (i) you do not make the Total Minimum Payment by the Payment Due Date; (ii) you fail to comply with any terms or obligations contained in the Agreement; (iii) the Primary Cardmember provides any misleading, incorrect, false or incomplete information in their application; (iv) the Primary Cardmember dies or become incapacitated; or (v) the Primary Cardmember become insolvent or bankrupt or insolvency proceedings are brought by or against the Primary Cardmember or the Primary Cardmember makes a proposal to its creditors (each an "Event of Default").

To the extent permitted by applicable law, if an Event of Default occurs we may at our sole discretion: (i) declare that the Total Balance will become due and payable on demand from us together with interest on such Total Balance at the annual interest rate(s) payable on the Account at that time; (ii) terminate or restrict your rights under, and amend any terms of, the Agreement or your Account, including suspending your ability to make Transactions; (iii) terminate any Installment Plan and add all deferred amounts (for all Purchases that are then participating in Installment Pay) to your Balance and subject to interest charges calculated at the rate applicable to Purchases set forth in the Disclosure Statement; (iv) terminate any other special payment or

promotional plan offers and convert any balance on such special payment or promotional plan based on the terms and conditions contained in the Agreement; (v) require that you return all Cards and Convenience Cheques to us; and/or (vi) exercise all other rights and remedies that are available to us in law.

The following mandatory clause applies to a Cardmember Agreement governed by the laws of the Province of Quebec where we intend to exercise our right set forth above to require the immediate payment of the Total Balance and any other amounts owing on the Account:

“Clause required under the Consumer Protection Act.

(Clause of forfeiture of benefit of the term)

Before availing himself of this clause, the merchant must forward the consumer a notice in writing and unless he is exempted in accordance with section 69 of the General Regulation, he must forward him a statement of account.

Within 30 days following the receipt by the consumer of the notice and, where necessary, of the statement of account, the consumer may:

- (a) either remedy the fact that he is in default;
- (b) or present a motion to the court to have the terms and conditions of payment prescribed in this contract changed.

It is in the consumer’s interest to refer to sections 104 to 110 of the Consumer Protection Act (chapter P-40.1) as well as to section 69 of the General Regulation made under that Act and, where necessary, to communicate with the Office de la protection du consommateur.”

Except for residents of the Province of Quebec, you are responsible for and must pay all costs incurred by us or any of our agents in collecting or attempting to collect the Total Balance or any other amount under the Agreement which is owed to us, including legal fees charged by external and internal legal counsel.”

13. Closing Your Account

The Primary Cardmember may close the Account by contacting us at the address or phone number found in the “Contacting Us” Section of this Cardmember Agreement. We may terminate the Agreement, or close or suspend access to your Account or any Cards, or reduce your Credit Limit, immediately at any time without telling you in advance for any other reason at our sole discretion.

If the Agreement is terminated or your Account is closed or suspended, the Primary Cardmember will remain responsible for all amounts owing on the Account, including any pre-authorized payments, fees and additional interest that may be posted to your Account and all amounts outstanding under any Installment Plan and you must stop using your Card. You are required to cancel any pre-authorized payments you have arranged with any merchants. The terms and conditions contained within the Agreement will continue until, and termination of the Agreement will only take effect when, we have received the full Total Balance and any other amount that you owe to us.

14. Problems with a Retailer

Any complaints or problems regarding any products or services you purchase using your Account or your Card, must be settled directly with the retailer unless otherwise required by applicable law. To avoid late interest charges and any penalties, please continue to make payments to your Account while you are resolving the problem with the retailer. Any dispute that you have with a retailer does not absolve the Primary Cardmember of its obligation to pay us the full amount that has been charged to the Account. In such circumstances, we may not refund any interest charged on Transactions that were credited to your Account.

How We Communicate with You

Account Documentation will be sent by ordinary mail to the address appearing in our records for the Primary Cardmember, unless, to the extent permitted by applicable law, the Primary Cardmember consents in writing or electronically to receiving Account Documentation on our Website or other electronic form. If we send Account Documentation to the Primary Cardmember and it is returned because of an invalid address or invalid e-mail address, we will not issue further Account Documentation or notices until we receive the correct address or email address and we may restrict the use of your Account.

In the case of a postal strike or other disruption affecting mail delivery, the Primary Cardmember is required to make all payments when due under the Agreement and may do so by contacting us for updated Account information.

We are not responsible for the failure of a Cardmember to receive Account Documentation, if we send it to the address appearing in our records, or post it on Brim's Website or in another electronic form. The Cardmembers must immediately notify us of any changes in their address or e-mail address.

17. Collection and Disclosure of Your Personal Information

Your Personal Information will be collected, used, disclosed and otherwise managed in accordance with the Brim Privacy Policy attached to this Cardmember Agreement as Exhibit A and which is also available at brimfinancial.com.

18. Mobile and Contactless Payment

The Agreement applies to all types of Transactions on your Card, including Transactions using Mobile Payments Services and contactless Transactions. We and Mastercard may from time to time establish a maximum dollar limit for a single contactless or mobile Transaction. As a result, you may need to use your physical Card to complete a Transaction if you exceed these limits.

19. Foreign Currency Conversion

If you use the Account to make Purchases or obtain Cash Advances in a foreign currency, the Purchase or Cash Advance, as applicable, will be converted to Canadian dollars before it is recorded on the Account. For foreign currency transactions, the rate will be the exchange rate posted by Brim on its Website on each business day and applied at the time of the posting of the Transaction (Mastercard exchange rates will be used for currencies for which the exchange rates are not posted by Brim on its Website). The rate that is used will be the rate on the date that a Transaction is posted to the Account and may be different from the rate in effect on the date of the Transaction. In addition, a foreign currency conversion fee set by Brim from time to time, and disclosed in the Disclosure Statement, will be added to the converted amount for both Purchases and Cash Advances. For Cash Advances, Cash Advance fees (as disclosed in the Disclosure Statement) will also be charged to the Account and will be displayed separately on the monthly statement.

If you receive a credit to the Account for a Purchase made in a foreign currency, before it is recorded on the Account, it will be converted into Canadian dollars based upon the applicable conversion rate on the date the Transaction is posted to the Account. In addition, a foreign currency conversion fee as disclosed in the Disclosure Statement will be charged by Brim on the converted amount.

In the case of a return of an item purchased in a foreign currency, the Canadian dollar amount that is credited to the Account may not be the same as the Canadian dollar amount that was originally debited to the Account. In addition, the conversion rate disclosed on the monthly statement on the date the Transaction is posted to the Account may not be the same as the conversion rate in effect on the date of the Purchase, Cash Advance or credit, as the case may be.

The total foreign currency conversion charge (which shall include both the conversion rate and the foreign currency conversion fee set out in the Disclosure Statement) for each foreign currency transaction or credit converted into Canadian dollars and posted to the Account will be disclosed on the monthly statement for the period in which the foreign currency transaction was conducted.

20. Additional Provisions

a. **Headings:** Headings of Articles and Sections are inserted for convenience of reference only and do not affect the construction or interpretation of this Cardmember Agreement.

b. **Changes to Cardmember Agreement:** Except if this Cardmember Agreement is governed by the laws of the Province of Quebec, unless advance notice is required by the applicable law, we may make changes to each and every provision of this Cardmember Agreement and the Disclosure Statement, by giving you subsequent notice of each change. The notice provided to you may be enclosed with your monthly statement or sent separately. If you sign, use or activate any Card or the Account or if any Total Balance owing on the Account remains unpaid after the change is made, it will mean you have accepted the change.

If this Cardmember Agreement is governed by the laws of the Province of Quebec:

(a) the credit rate and any membership or renewal fees shown on the Disclosure Statement may be increased unilaterally by us at any time subject to providing the Primary Cardmember, a written notice of such amendment in accordance with the requirements of applicable law (currently those requirements consist of us sending to the Primary Cardmember, at least 30 days prior to the date on which such amendment comes into force, a notice setting out exclusively the amended clauses, as they formerly read and as they read now, and the date of coming into force of the increase). Any such increase will automatically come into effect on the date indicated in such notice; and

(b) each and every other provision of this Cardmember Agreement and the Disclosure Statement may be amended unilaterally by us subject to providing the Primary Cardmember, a written notice prepared in accordance with the requirements of applicable law (currently those requirements consist of us sending to the Primary Cardmember, at least 30 days before the amendment comes into force, a written notice drawn up clearly and legibly, setting out exclusively the new clause, or the amended clause and the clause as it read formerly, and the date of the coming into force of the amendment). The Primary Cardmember may refuse the amendment and cancel the Agreement without cost, penalty or cancellation indemnity by providing us with a notice to that effect no later than 30 days after the amendment comes into force, if the amendment entails an increase in your obligations or a reduction in our obligations. If the Primary Cardmember cancels the Agreement, the Primary Cardmember must pay in full the outstanding Total Balance and any other amounts outstanding on the Account.

c. **Interest Rate Provision:** If any provision of the Agreement would oblige you to make a payment of interest or other amount payable to us in an amount or calculated at a rate which

would be prohibited by law or would result in receipt by us of “interest” at a “criminal rate” (as such terms are construed under the Criminal Code (Canada)), then, notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not result in receipt by us of “interest” at a “criminal rate”, such adjustment to be effected, to the extent necessary (but only to the extent necessary), by reducing (i) any fees, commissions, premiums, and other amounts required to be paid to or on behalf of us which would constitute interest for purposes of the Criminal Code (Canada), or (ii) the amount or rate of interest required to be paid to us, as elected by us, and any amount previously paid by you which is included in such reduction shall be returned to you.

d. **Governing Law:** The Agreement will be governed by and interpreted in accordance with the applicable laws of the province or territory in which the Primary Cardmember resides as provided in your application (or the Province of Ontario if you reside outside Canada). You agree to submit to and be bound by these laws and the courts of that province or territory in the event of any disputes arising in connection with your Account and the Agreement.

e. **Limitations on Our Liability:** We are not responsible or liable for any damages, including special, indirect and consequential damages, even if they were foreseeable, that may result from the use of your Card or Account, or obligation under the Agreement if, for any reason, your Card or your Account number is not accepted or you are unable to access your Account, including the inability to access your Account by reason of a business interruption, security breach, delay, loss, error, system outage, or failure to access any ABM, terminal or other machine or equipment with your Card.

We may use third party service providers or any affiliate of ours to provide services to process your application, any information, and Transactions relating to your Account. A third party service provider or affiliate may not process or complete Transactions associated with your Account if processing or completing the Transaction would cause it to violate any law, regulation, rule or internal policy applicable to it, or cause it to suffer legal and/or reputational risks. If such event occurs, neither we nor our third party service providers or any affiliate will be liable in respect of any such unprocessed or incomplete transaction. Third party service providers or affiliates may not be located in Canada.

f. **Assignment:** We may at any time assign, sell or transfer any or all of our rights, benefits or obligations under the Agreement, your Account or any Total Balance due under the Agreement, without notice to you, and we may disclose information about you and your Account to the person or entity to which we make any such sale, assignment or transfer. You may not assign any of your rights or obligations under the Agreement.

g. **Severability:** If, in any jurisdiction, any provision of the Agreement or its application to us or any Cardmember, or circumstance is restricted, prohibited or unenforceable, the provision shall, as to that jurisdiction, be ineffective only to the extent of the restriction, prohibition or unenforceability without invalidating the remaining provisions of the Agreement and without affecting the validity or enforceability of such provision in any other jurisdiction.

h. **Non-Waiver:** We may, in our sole discretion, choose not to exercise any right under the Agreement, including the right to impose the full amount of any charge, without waiving that right. Any waiver of a right by us must be in writing and signed by us. You understand and agree that your obligation to pay all amounts owing under the Agreement and otherwise to perform the terms and conditions of the Agreement are absolute and unconditional.

i. Language (for residents of the Province of Quebec only): You confirm that you have expressly requested that this Cardmember Agreement and all related documents be drafted in English. Vous confirmez avoir expressement demandé que la présente convention et tous les documents s’y rapportant soient rédigés en anglais.

j. Additional Mandatory Provision (For Quebec residents only) “Clause required under the Consumer Protection Act.

(Contract extending variable credit for the use of a credit card) For the purposes of this contract, the sole fact that the card has been issued replaces the merchant’s signature and the sole use of the card by the consumer replaces the consumer’s signature.

In the event of loss or theft of a credit card, the consumer incurs no liability for a debt resulting from the use of such card by a third person after the issuer of the card has been notified of the loss or theft by telephone, telegraph, notice in writing or by any other means. Even where such notice is not given, the liability of the consumer whose credit card has been lost or stolen is limited to the sum of \$50.

At the end of each period, the merchant, if he has a claim with regard to a consumer, must furnish the latter with a statement of account mailed at least 21 days before the date on which he may exact credit charges if the consumer does not discharge his entire obligation; credit charges for advances of money may start as of the date of the advance up until the date of payment.

The consumer may require the merchant to forward him, without charge, a copy of the vouchers for each of the transactions described in the statement of account.

Until the consumer receives a statement of account at his address, the merchant must not exact credit charges on the unpaid balance, except on advances of money.

It is in the consumer’s interest to refer to sections 29, 123, 124, 126 and 127 of the Consumer Protection Act (chapter P-40.1) and, where necessary, to communicate with the Office de la protection du consommateur.”

k. Solidary and Indivisible Obligations (for residents of the Province of Quebec only): The obligations under the Agreement are indivisible and may be claimed in their entirety against the Primary Cardmember and may not be divided between the Primary Cardmember’s heirs, legatees and assignees.

In general, you can visit our Sites without telling us who you are or submitting any personal information. However, we collect the IP (Internet protocol) addresses of all visitors to our Sites and other related information such as page requests, browser type, operating system and average time spent on our Site. We use this information to help us understand activity on our Site, to provide you with content relevant to your jurisdiction and to monitor and improve our Site. If you download and install one of our Apps, we also collect information about your mobile device. This data includes the type of device hardware and operating system, unique device identifier (such as MAC address), IP address, language settings, and the date and time the App accesses our servers. We use this data in order to enable our Apps to function on your device, to provide the services you request and to improve our App.

We may also use third parties to help us gather and analyze information about the areas that you visit on our Sites in order to evaluate and improve the customer experience and the convenience of our Sites.

We or our service providers may collect information using tracking technologies, including:

Cookies, Tracer Tags & Web Beacons

Our Sites use a technology called “cookies”. A cookie is a tiny element of data that our Sites can send to your browser, which may then be stored on your hard drive so we can recognize you when you return. We use cookies on the pages on our Sites where you are prompted to log in or that are customizable. If you have registered with our Sites, these cookies (1) may let us know who you are, (2) may be necessary to access your account information (stored on our computers) in order to deliver products and personalized services, and (3) will provide us and our service providers with information that we will use to personalize our Sites in accordance with your preferences. We and our service providers also use cookies to help us understand our website activity, to improve our Sites and provide better customer service.

You may set your Web browser to notify you when you receive a cookie or to not accept certain cookies. However, if you decide not to accept cookies from our Sites, you may not be able to take advantage of all of the features of our Sites.

Our Sites may also use a technology called “pixel tags”, “tracer tags” or “Web Beacons”. This technology allows us to understand which pages you visit on our Sites in order to help us optimize

and tailor our Sites for you and other future visitors to our Sites. We may also use this technology in emails to help us confirm the receipt of and response to our emails, the time our email is viewed, and “click-through” information such as where you click email links.

Location Based Services: If you consent, we may collect your actual location while you are using one of our Apps in order to provide you with the location-based service you requested (such as to show you nearby offers). To disable the collection of location data, visit the settings on your mobile device or in our App.

Online Ads/Interest Based Advertising

We may use third parties such as ad networks and other advertising companies to serve advertisements on our Sites or in our email communications, and on other websites and apps (including social media sites such as Facebook and Twitter). These companies may use cookies, tracer tags or web beacons to report certain information about your visits to our Sites and other websites and apps (such as web pages you visit and your response to ads) in order to measure the effectiveness of our marketing campaigns and to deliver ads that are more relevant to you, both on and off our Sites (including on social media sites).

Opting Out: To learn more about online behavioural advertising or to opt out-of having your information collected and used for online behavioural advertising purposes by companies participating in the Digital Advertising Alliance of Canada, please visit <http://youradchoices.ca/choices> or <https://youradchoices.ca/appchoices/> (to control interest-based advertising across mobile apps).

To successfully opt out, you must have cookies enabled in your web browser (see your browser’s instructions for information on cookies and how to enable them). Your opt-out only applies to the web browser you use so you must opt-out of each web browser on each computer you use. Once you opt out, if you delete your browser’s saved cookies, you will need to opt-out again.

Please note that if you opt-out of OBA, you may still receive online advertising from us but it will not be based on online behavioural information about you.
